*Lamentations 3:21 But this I call to mind, and therefore I have hope: 22 The steadfast love of the Lord never ceases, God's mercies never come to an end; 23 they are new every morning; great is your faithfulness.*

Dear Beloved Disciple,

Grace, peace and love to you in the name of Jesus, our Lord and Liberator. It is my deepest desire that the above scripture give you a measure of hope and strength this day. For indeed, throughout this pandemic, let us call to mind the steadfast love of the Lord! We as a state, nation and world are living through a historical moment, a time which will be written about and studied for generations to come. With so much out of our control, how do we faithfully respond to the COVID-19 virus pandemic? How do we live as church in the moment before us?

At Journey of Faith we will face our fears with the love of God and battle our worries with faith in Christ our Lord. Out of our love for life and each other the Journey of Faith building will remain closed indefinitely. Until you hear otherwise, there will be no public gatherings for worship, fellowship or social functions.

Although the building is closed, church remains open!! Church is bigger than a building. Church is wherever we are – serving, praying, loving, praising, checking on one another, giving of ourselves, etc. What an opportune time to be the Church!!

Sunday morning worship will continue. Each Sunday morning I will be on Facebook LIVE at 10:30 a.m. via Journey of Faith's Facebook page. In addition, each weeknight Monday through Friday at 7:00 p.m. until March 10 we will gather on Facebook LIVE to pray, read the daily scripture and seek God's direction. If you can't make it at those times, you can catch the Facebook moments later or check Journey's website.

Please also note the ministry is still in need of your support through the giving of your financial blessings. A significant portion of Journey's day to day costs are supported by our tenants Millennial Learning Center and Zumba by Juanita. However, their operations have either temporarily closed or have been extremely limited. May we all continue living generously by giving out of our faith and love for God. God will provide for the work which lies before us. You can give online through Journey's website [journey7902.org](http://journey7902.org), direct payment from your bank account or mailing-in your offering/tithe. Whatever you can give is profoundly appreciated.

In Jesus Name,  
Pastor G
